SPECIAL "FAMILIES FOR ST. PAUL'S" EDITION

SAVE THE DATE: TUESDAY, MARCH 20

The Committee to Save St. Paul's and our development partner Paul Rabinovitch of Canus Corporation invite you to...

A "FAMILIES" CAUCUS FOR ST. PAUL'S

Tuesday, March 20, 2007, 8-9:15 p.m.

at The Garden City Historical Society Museum, 109 Eleventh Street

(located between the Garden City Water Works and the Senior Center on Golf Club Lane)

The purpose of this meeting of our "Families for St. Paul's" group is four-fold:

1. To introduce you to Paul Rabinovitch and tell you about his expertise in environmental and historic preservation, and adaptive reuse of older buildings
2. To give you the latest news about our proposal and where we believe we stand in the selection process
3. To solicit your ideas and suggestions as we strategize a plan for promoting our preservation and community center solution, and
4. To get your opinions on what activities you feel would be appropriate for a new Community Center at St. Paul's. We intend to bring your opinions to the attention of the Village, and the Board of Trustees. In addition, we will share your views with Senator Kemp Hannon.

The evening meeting will also give you a chance to visit The Garden City Historical Society Museum and see, first hand, the renovation and restoration work that has taken place at the 1872 "Apostle" House, which, like St. Paul's, is listed on the New York State National and Registers of Historic Places.

Please email your reply to info@savestpauls.org so we have your email address for faster communication, or call 516-319-1906. Yes, I will attend. Sorry, I'm not available that night.

We hope to see you on MARCH 20, and thank you for your continued support.
