# A Community/Senior Center at St. Paul's

The Committee to Save St. Paul's and our development partner Canus Corporation want to hear your ideas for a community center and senior center at the Historic St. Paul's Building. Be reminded, however, that unless and until CSSP/Canus is designated as the developer for St. Paul's, these suggestions can only remain as potential uses for Village consideration until the Trustees decide to proceed in this direction. Please respond by **Friday, April 27**. Thanks for your assistance.

We welcome comments on questions that you feel you can have input.
